

AMITEK PIGMENT

Product Description

App pure eppblend are the perfect solution for coloration of Epoxy systems.

Eppblend colorants enable quick and easy tinting of epoxy compounds with precision in color and performance. They are highly compatible with all types of epoxy resins and hardeners.

We bring you Eppblend in 14 exciting colors. You can combine these in different proportions and create thousands of exciting shades. Our highly sophisticated manufacturing process ensures high performance and consistency in achieving the precise color batch after batch. We offer you these colorants with shade formulations for RAL or other specific shadecards. Eppblend colorants are also available as ready-to-mix RAL shades in attractive packaging.

Eppblend colorants are suited to a wide range of applications where epoxy resins are used.

These include Floor Coatings, Electrical and Mechanical Applications, Electronic Components, Chemical Resistant and Anti Corrosive Coatings, Epoxy Tile Grouts, Floor Sealers, Epoxy Adhesives and Epoxy Composites.

At APP PAINT CHEMICALS, we combine passion with technology and expertise, to create and offer complete color solutions.
